

# Reach supply chain movers and shakers.

*Supply Chain Philippines*, the official magazine of SCMAP, is your briefing on issues and developments moving the supply chain sector. From longform features on national issues viewed through an industry perspective, to primers on trends, innovations and best practices, the magazine is an in-

dispensable part of every supply chain professional's arsenal.

The magazine is distributed to SCMAP members across the country, as well as in events here and across the region—and, now, through a dedicated website. This ensures a wide reach as the supply chain sector faces these extraordinary times.

Become part of *Supply Chain Philippines* now! You can avail of our new print and online advertising packages, or you can share your knowledge and insight by becoming a contributor. Help us move the global competitiveness of Philippine supply chain.
