17 April 2026—Friday

06:00 **Breakfast**

07:00 **Vessel Arrival in Cagayan de Oro**

Port of Cagayan de Oro, Julio Pacana Street, Puntod, Cagayan de Oro City

07:30 **Supply Chain Immersion: Site Tours**

Our party will split into two groups and head to separate tours to observe first hand supply chain operations and to further synthesize learnings from the previous day.

Group 1: Del Monte Philippines Plantation Tour

Located in Manolo Fortich, Bukidnon, the Del Monte pineapple plantation is the source of the company's many pineapple products, from fresh fruit to processed and canned products, sold in the Philippines and around the world. You will be able to observe how the company grows and processes its fruits and understand how this segment of their supply chain delivers for the company.

Group 2: Mindanao Container Terminal / Nestlé Philippines DC Tour

Your first stop is a tour the Mindanao Container Terminal in Tagoloan, Misamis Oriental, the main shipping hub for Northern Mindanao's booming agro-industrial sector. This will be followed by a tour of Nestlé's distribution center, also within the town, which supports their manufacturing facility in Cagayan de Oro and serves as a hub for Nescafé and other products sold across the country.

Lunch is included in both tours.
